1.Document Changelog

Effective Date	Changes
April, 2021	New Document

2. Introduction and Role of Senior Controllers

2.1 As per section 1.2, paragraph E of the [VATSIM Global Rating Policy](#),

“

A Senior Controller (C3) rating may be awarded to a controller already certified to provide the six (6) standard VATSIM controller services described above AND who also provides other services NOT related to a control role covered by the ratings for DEL, GND, TWR, APP, DEP or CTR. The rating of Senior Controller (C3) may be awarded by any VATSIM Division to give recognition of seniority, performance or any additional role beyond that of a normal Controller (C1) as determined by the local Region/Division.

“

VATROC awards Enroute Controllers (C1) that demonstrate active contributions to either flying or controlling communities. In appreciation and recognition of their efforts to create friendly, inclusive, and educational environments within the VATSIM network, social medias, or any other opportunities they seized.

3. Requirements for Senior Controller (C3) Rating

3.1 Minimum Requirements

VATROC Senior Controller (C3) candidate must:

- 3.1.1** Be an Enroute Controller (C1) that has been qualified to operate solely within TPE FIR on VATSIM network
- 3.1.2** Has acquired the Enroute Controller (C1) Rating for one year or more
- 3.1.3** Has login record within the past six-month period on the VATSIM network, unless otherwise exempted
- 3.1.4** Be actively involved in either flying or controlling community related to VATROC for one year or more
- 3.1.5** Understand the training processes and qualification requirements to bring up a controller trainee from blank
- 3.1.6** Be an aviation professional, and/or has shown their profound flying/controlling -related aviation knowledge across the community

3.2 Preferred Requirements

VATROC Senior Controller (C3) candidate is best to:

- 3.2.1** Have controlling record for the three network-wised event or more
- 3.2.2** Have mentoring experience for three controller trainees or more
- 3.2.3** Have profound aviation knowledge and an inclusive, educative, and communicative mindset

4. Senior Controller (C3) Rating Recognition Process

4.1 Recognition Review Process

After VATROC Senior Controller (C3) candidate is nominated by the Division Director or two or more S3-or-above-rated controllers, the Division Director shall

- a) review the qualification of such candidate
- b) notify the candidate for the recognition
- c) announce the nomination within internal channels, where all controllers have their opinions expressed
- d) announce and congratulate on the recognition publicly
